

INVESTOR ACCREDITATION “HOW-TO” GUIDE

All of Noble Capital’s investment offerings require you to verify that you are an “Accredited Investor.”

USE THIS GUIDE TO LEARN HOW TO
VERIFY YOUR ACCREDITATION STATUS.

NEED TO BE VERIFIED AS AN ACCREDITED INVESTOR?

The process is simple. You can go about it one of four ways:

1. Get a verification letter from a Certified Public Accountant (CPA).
2. Get a verification letter from a licensed Attorney.
3. Get a verification letter from your licensed Financial Advisor.
4. Go to VerifyInvestor.com, submit your information, pay a fee (\$59) and receive a verification letter from their archive of licensed Attorneys and CPAs.

VerifyInvestor.com

Noble Capital does not make any claims or representations with regards to the services provided by any CPA, attorney, financial advisor and/ or verifyinvestor.com.

The purpose of verifying an Investors Accredited Status is to determine whether or not an investor can invest in a fund offering. All investments, including those fund offerings offered by Noble Capital, involve risk, including, but not limited to loss of capital.
